SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years
Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, dizziness, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

PLANS ARE COMPLETED FOR LYCEUM COURSE

FULL ATTRACTIONS ARE
BOOKED FOR ANDERSON COLLEGE

6 ENTERTAINMENTS

Meeting Held Yesterday Afternoon—Complete Number Readings and Lectures.

The Ladies College Association of the Anderson college held a meeting yesterday afternoon at the residence of Mrs. C. S. Sullivan at which it was decided to put on the lyceum course at the college, all of which entertainments will be held there during the fall and winter.

The entertainments booked for the lyceum course, and the order in which they will come to Anderson are as follows:

1. L. A. C. Orchestra, an eight piece orchestra.

2. Lecture on Carnegie Peace Foundation, probably Dr. P. P. Claxton, United States Commissioner of Education.

3. Ralph Parlette, humorous lecturer. This is said to be one of the most humorous lectures on the American lecture platform today.

4. Madam Scootney, musical recital. This artist has one of the very best voices in the lyceum bureau field. This number will prove one of the best treats for Anderson music lovers that they have ever had for years.

5. Lecture by Mrs. Pickett, widow of General Pickett who lead the charge at Gettysburg.

Reading by Hattie Dunaway. She will read either "Lady of the Decorations" or "Daddy Longlegs."

There will be several committees on the streets today selling both double and single course tickets. The prices for the double tickets, admitting two persons to each of the six entertainments will be only three dollars; the price of the single course tickets will be one dollar and seventy five cents.

The price for each entertainment for each person, where the double course tickets are purchased will figure only twenty-five cents; and the class of entertainments provided are such that taken singly, they would cost at least seventy-five cents an admission.

The Anderson people who attend the lyceum course out at the college last year will be the very first to subscribe for tickets this year because they will know from past experience what is in store for them.

TEACHERS ELECTED TO FILL VAGANCIES

Miss Florida Harris and Miss Elizabeth Van Wyck of This City Were Selected.

Misses Elizabeth van Wyck and Florida Harris were elected teachers yesterday afternoon to fill vacancies in the Anderson city schools at a meeting of the board of trustees held in the office of Supt. The announcement of the election of the above two named young ladies will be read with much interest by the people of Anderson. Both are of this city and their many friends will be glad to learn that they will be here this winter.

Miss van Wyck is a graduate of Winthrop College of the '13 class and for during the past year taught in the Sumter city schools. A Correction.

Several days ago The Intelligencer carried a story about the road from Anderson to Barnes station having been worked with road scrape. Complaints having been made in which it was stated that this report was untrue, a reporter asked Supervisor King about the matter yesterday and he had been advised that this work had been done and that he says he gave this paper the information in good faith, thinking that the roads had been worked.

BIG MASS MEETING IS PLANNED FOR SEPT. 3

MEMBERS FLYING SQUADRON SPEAK IN THE COURT HOUSE

NOTED SPEAKERS

J. Frank Hanly of Indiana and O. W. Stewart of Chicago—Singers Also Coming.

The detailed arrangements for the big mass meeting of men and women which is to be held in the court house on September 2, at 8:30 p. m. in the interest of prohibition were made public yesterday. The speakers will be Hon. J. Frank Hanly, former governor of Indiana and Hon. Oliver Stewart of Chicago and they will be accompanied by Miss Vera Mullin, soloist, and Miss Iris Robinson, pianist of Winchester, Ind.

The above named were members of the third group of the Flying Squadron of America and spoke in Columbia, Orangeburg and Charleston in February while on their campaign for national prohibition. This squadron visited every state in the union and their coming to Anderson at this time is in behalf of state-wide prohibition for South Carolina.

Mr. Stewart began his campaign at Jonesville, Monday the 23rd, inst., and will speak in 20 towns in this state. On September 1 he will be joined by Mr. J. Frank Hanly and the musicians. They will speak in 20 more towns in South Carolina and their coming to Anderson is one that will be looked forward to with pleasure as well as a great deal of interest.

Those who are responsible for this meeting and for the speakers and musicians have arranged for the lectures to be free and no collection will be taken as the expenses will be provided for by the local committee.

The public is cordially invited to attend and hear these noted lecturers and listen to the singing which is considered to be extraordinary.

On the afternoon of September 3 the speakers will be at Pendleton where a large crowd is expected to hear them.

FORMER SCHEDULE WILL BE RESUMED THURSDAY

River Street Cars Will Run to Square and Leave on the Hour and the Half.

"On Thursday" stated Mr. Orr yesterday, "the street car track will be open from Church street to River street and the River street car will be operated as always before the track was torn up, leaving the square on the hour and the half hour. The Greenville street car will follow the River street car down to the intersection of River on Main, then turn going back to the college."

It will be two weeks. Thursday since the concrete track was finished to River and owing to the fact that it is impracticable to use a line before fourteen days have passed after paving, the River street cars have been stopping at Main. The line from Gluck mill is now stopping at Hampton street and passengers under the schedule that goes back into effect will have fifteen minutes in which to transfer to River street.

TO WAGE PROHIBITION CAMPAIGN IN COUNTY

Dr. C. E. Burts of Columbia Confers With Anderson Ministers About It.

Dr. C. E. Burts, pastor of the Washington street Baptist church, Columbia, and ministers of the city hold a conference yesterday morning in order that they might talk over and formulate plans for a prohibition campaign which is to be waged in Anderson county. The object of the campaign is to arouse the voters to the polls on September 14.

Dr. Burts is secretary of one of the state prohibition campaign movement and he thinks that the sentiment in Anderson county is overwhelmingly in favor of driving liquor out of South Carolina. He states that the only trouble is in getting the people to the polls on September 14.

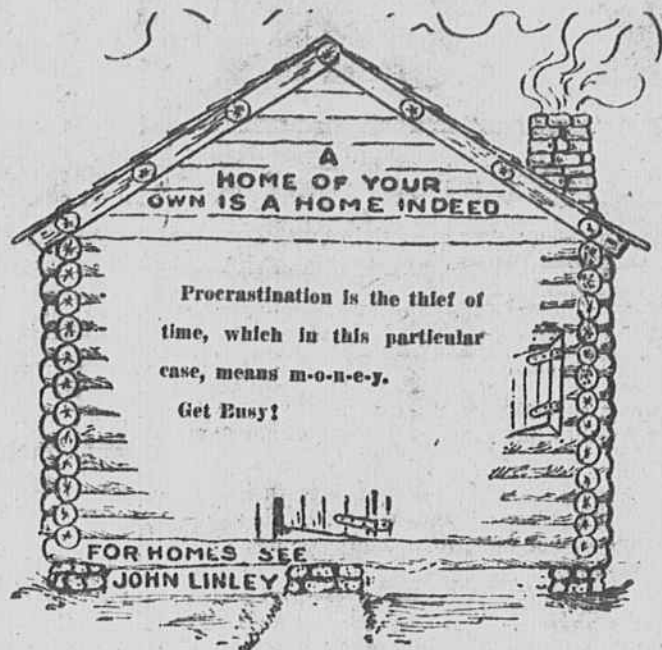

Later Dr. Burts will return to Anderson county to make speeches in the interest of prohibition. He will be at Home Path next Saturday night, at the union service in the Flat Rock Baptist church Sunday afternoon and at Okwood Baptist church near the Brogan mills Sunday night.

IMMUNE

"I should think that sometimes you sailors get dreadfully homesick," remarked the awed young thing to the first officer of the Bright Star boat Quadratic.

The experienced seaman powdered and shook his head.

"Well, not so much as you'd think," he replied, after a pause. "You see, we're never at home long enough."—Answers.

BESTIR YOURSELF

Get into action—stop "putting it off." You've waited just about as long as it's possible to wait, and still get in on the "Profit Sharing" proposition during August. There are only seven more work days during this month.

YOU KNOW

That you are going to buy a NORTH ANDERSON lot—you have decided this positively, but you keep "putting off" the selection of THE lot, and the "fixing up of the papers."

NEXT MONTH

Your purchase of that lot will not get you as great a portion of the PROFITS as if you bought YOUR lot NOW—before the end of AUGUST.

THEN AGAIN

If you wait a week or ten days more, some one else may get YOUR lot—the one that you would pick if you bought before they buy.

Since You Have Decided to Buy a North Anderson Lot Why Wait Longer?

GET YOUR LOT

The lots will not get cheaper in price, nor will the selection grow better, so GET YOURS' while the Selection is Excellent, and while the prorate of profits is greater than it will ever be again.
